

## Morning Kayak or SUP, Snorkel & Relax at Carrión point

First things first: Our excursion begins at our designated meeting point in Puerto Ayora; we kindly ask all guests to arrive promptly to ensure a smooth departure. From there, a 45-minute land transfer will take us to the Itabaca Channel, where you will board our 33-foot boat.

Following a comprehensive safety briefing, your adventure commences. The itinerary features a blend of kayaking or paddleboarding, complemented by snorkeling at Carrion Point. Please note that the sequence of activities is optimized daily based on local wind conditions to ensure the best possible experience.

Upgrade your experience with a full day to Highlands visiting the Land Giant Tortoises and lava tunnels.

## Tour Itinerary

### : Meet & Greet

Our activities will start at our meeting point located in Puerto Ayora town, so please be on time!

You can find the location of the meeting point [here](#).

Duration  
**15 Minutes**

### : Bus to Itabaca Channel

Transportation will take us to Itabaca Channel for about 45 minutes.

Duration  
**45 Minutes**

### : Hop on board and safety briefing

Following a safety briefing, the adventure will start! We will mainly offer kayaking or paddleboarding activities, followed by snorkeling experiences along Carrion Point. The order of the activities will depend on the wind direction; no worries, it's all under control.

Duration  
**15 Minutes**

### : Kayaking/Paddle board

Enjoy a magical experience along Punta Carrion, paddle by the mangroves and the rocky walls on this calm water bay. The activity will take you about an hour; this is a guided tour led by our naturalist guide.

Depending on the season and luck, we may have a chance to see from the kayaks or paddle boards: blue-footed boobies along the rocks or fishing, pelicans, turtles by the mangroves, frigate birds flying, brown noddy terns, and white-tipped reef sharks.

Duration  
**1 Hour**

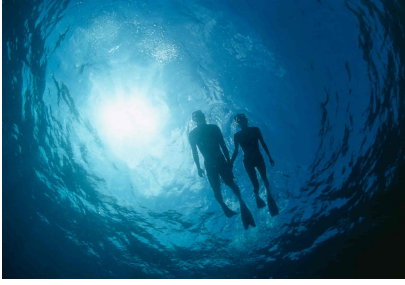

### : Snorkeling

Depending on the visibility and luck, we have good chances to find white-tipped reef sharks or baby black-tipped sharks while snorkeling, along with a lot of different tropical fish such as yellow-tailed surgeonfish, angelfish, stingrays, and more.

Duration  
**1 Hour**

### : Back to Puerto Ayora

After we finish all of the activities, we will return to Puerto Ayora.

Duration  
**45 Minutes**
